A request for a variance with the Board of Zoning Appeals may be granted only when the following 5 (five) conditions have been met. Present information on this form in support of each of the following criteria (Attach separate sheets if necessary):

- a. The variance requested arises from such condition which is unique to the property in question and which is not ordinarily found in the same zone and is not created by action(s) of the property owner or applicant because:

- b. Granting the variance will not adversely affect the rights of adjacent property owners or residents because:

- c. Strict application of provisions of the zoning ordinance, of which the variance is requested, will constitute unnecessary hardship upon the property owner because:

- d. The variance desired will not adversely affect the public health, safety, morals, order, convenience, prosperity, or general welfare because:

- e. Granting the variance will not be opposed to the general spirit and intent of the zoning ordinance because:
